

Shubham Jadhav

Java Full Stack Developer

shubhamkjadhav12@gmail.com — +91 7517848143 — linkedin.com/in/shubham21444

PROFESSIONAL SUMMARY

Results-driven **Java Full Stack Developer** with 3 years of experience designing scalable web applications using **Spring Boot, Microservices, React JS, and Angular**. Proven expertise in optimizing database performance (25% faster queries), automating testing (500+ test cases), and deploying cloud-native solutions (AWS). Achieved **99.9% system uptime** and **40% faster user transactions** through API integrations.

TECHNICAL SKILLS

- **Programming:** Java, Spring Boot, Hibernate, REST APIs, Java Reactive Programming, JavaScript
- **Frontend:** Angular, React JS, HTML5, CSS3
- **Database:** SQL, MySQL, Query Optimization
- **DevOps:** AWS (Certified Cloud Practitioner), Git/GitHub, CI/CD
- **Tools:** Postman, JIRA, Docker, Kubernetes

WORK EXPERIENCE

Software Engineer (Scholar Trainee)

Wipro Limited May 2022 – Present • Developed **Java/Spring Boot microservices** for high-traffic applications, reducing deployment time by **15%** via cloud-native AWS integration.

- Improved database query performance by **25%** using SQL optimization, enhancing data retrieval efficiency for 10K+ daily users.
- Integrated **5+ third-party APIs** (payment gateways, OAuth2) to boost transaction speeds by **40%** while ensuring PCI compliance.
- Built **Angular-based UIs** that reduced critical crashes by **30%** post-testing, directly addressing top crash causes.
- Automated testing using **JUnit/Mockito**, creating **500+ test cases** that reduced post-launch bugs by **90%**.
- Achieved **99.9% uptime** for microservices architecture by diagnosing root causes of downtime
- Reduced load times by **20%** for critical applications through performance tuning

PROJECTS

Smarter Contact Management System

Java, Spring Boot, Angular

- Engineered a full-stack app with role-based access control for 1K+ users, improving data security and reducing unauthorized access by **100%**.
- Optimized backend logic to enhance API response times by **30%**, achieving seamless integration with third-party services.

Grocery Shop Management System

Java, Spring Boot, React JS

- Designed a real-time inventory tracker that improved operational efficiency by **25%** and boosted user engagement by **40%** via an intuitive UI.

EDUCATION

B.Sc. in Computer Science

Dr. Babasaheb Ambedkar Marathwada University, Aurangabad

2019 – 2022

CERTIFICATIONS

- **AWS Certified Cloud Practitioner** AWS 2023
